We Feed Xtreme

If you want your customers to use Xtreme, you need to use it. Ask your sales rep about the “We feed Xtreme program.” He can supply you with store feed in 1-lb and 5-lb bags, specially priced for in-store use.

Give it a try in a couple of tanks, using the 1 lb bag. When you see the difference, start ordering 5 lb bags when you restock. Put “We Feed Xtreme” stickers on your show tanks, our banner on your window and use the sample bags to get customers to give Xtreme a try!
